

What is Team Travel?

Join your friends as we hit the tournament circuit. Our team will be attending about 10 events in 2016. Players receive a tournament warm up the night before events begin, enjoy the fun and support of competing as a group, and have the opportunity for coaches to observe actual match play. Players and families provide their own transportation to events, and juniors must still have a parent/guardian present at tournaments.

Who's eligible for Team Travel?

All age divisions

What is included in Team Travel?

Players receive a 1 1/2 hour warm-up on Friday evening in Frisco before the event, and our coaches will make every effort to observe some match play by every player attending. All participants will also receive a Team Travel t-shirt when they enroll in their first Travel Team event.
